This policy allows for one book per family, no matter how many children are listed on the school contract. The cost of a yearbook is \$70.00.

This year at registration, we are offering families the opportunity to purchase additional books for your child/children. The price for each additional book is \$70.00. Payments for additional books must be received at registration in order for your extra book/books to be ordered. Only the exact amount of extra books sold during registration will be ordered. There will be NO EXTRA books when they arrive.
